

CHANDRA MAULANA MAKMOEN

Deputy Chairman of the Supervisory Board

Chandra Maulana Makmoen is an architect and real estate development expert with a track record in leading large-scale projects. As **Director of PT Putra Sinar Permaja** and **Project Director of South Quarter** at PT Intiland Development Tbk, he has been at the forefront of sustainable urban development since 2009. He previously played a key role in the **Regatta Project** as **General Manager of Badan Kerjasama Mutiara Buana** (2003–2009).

His professional background includes working as an **Architect and Planner** at McLelland & Copenhagen Inc. in the United States and as an **Architect** at PT Encona Engineering. His expertise has shaped award-winning projects such as **South Quarter** and **Regatta The Icon**, both recognized for their architectural and sustainability excellence.

Chandra holds a Master of Science in Real Estate Development from **Massachusetts Institute of Technology (MIT)**, a Master of Architecture from **California Polytechnic State University**, and a Bachelor's degree from **Institut Teknologi Bandung (ITB)**. His contributions to academia have earned him the **Ganesa Wirya Jasa Utama** award from ITB (2019). He also serves on the **Advisory Board** of ITB's **School of Architecture, Planning, and Policy Development**.

Beyond his professional roles, he actively supports architectural education as an **examiner for Parahyangan Catholic University's Master's program** and a speaker at seminars and training sessions for **IAI Jabar, ITB, UNPAR, UNTAR, UI**, and other institutions.
