

ROSDIANA WULANDARI

Deputy Director of Institutional Relations

Rosdiana Wulandari is an interior architect and sustainability consultant with decades of experience in integrating sustainable design principles into interior spaces. As the **Director of PT Asri Desindo Intiwidya (PT ADI),** she has led numerous projects in the healthcare, office, and commercial sectors, emphasizing resource efficiency and environmentally responsible materials.

She is a **core founder of Green Building Council Indonesia (GBC Indonesia)** and has been a **member of its Supervisory Board since 2018**. Her contributions to green building extend to her role as a **GREENSHIP Assessor and Trainer**, where she specializes in sustainable materials and interior space design. She also **chaired the Technical Advisory Group (TAG)** for materials in the GREENSHIP New Building and Interior Space schemes.

Beyond GBC Indonesia, she has held key leadership roles in the **Indonesian Society of Interior Designers (HDII),** serving as **Vice Chair at the national level and previously as Chair of HDII Jakarta.** She is also an active **member of the Indonesian Architects Association (IAI)**, **the Indonesian Illumination Engineering Society (HTII),** and the **Green Building Experts Association.**

Recognized for her expertise, Rosdiana frequently speaks at industry events, advocating for sustainability in interior design and green building. She holds a **degree in architecture from Universitas Gadjah Mada** and completed a **marketing program at Universitas Prasetiya Mulya.**
