

DEPUTY DIRECTOR OF INSTITUTIONAL RELATIONS

ROSDIANA WULANDARI

Rosdiana Wulandari is an interior architect and sustainability consultant with decades of experience in integrating sustainable design principles into interior spaces. As the Director of PT Asri Desindo Intiwiidya (PT ADI), she has led numerous projects in the healthcare, office, and commercial sectors, emphasizing resource efficiency and environmentally responsible materials.

She is a core founder of Green Building Council Indonesia (GBC Indonesia) and has been a member of its Supervisory Board since 2018. Her contributions to green building extend to her role as a GREENSHIP Assessor and Trainer, where she specializes in sustainable materials and interior space design. She also chaired the Technical Advisory Group (TAG) for materials in the GREENSHIP New Building and Interior Space schemes.

Beyond GBC Indonesia, she has held key leadership roles in the Indonesian Society of Interior Designers (HDII), serving as Vice Chair at the national level and previously as Chair of HDII Jakarta. She is also an active member of the Indonesian Architects Association (IAI), the Indonesian Illumination Engineering Society (HTII), and the Green Building Experts Association.

Recognized for her expertise, Rosdiana frequently speaks at industry events, advocating for sustainability in interior design and green building. She holds a degree in architecture from Universitas Gadjah Mada and completed a marketing program at Universitas Prasetiya Mulya.
